Mr. Laurence G. Pickering
Director, Office of Systematic Review
Bureau of Administration
Department of State
Room 1239, New State Building
Washington, D.C. 20520

Dear Larry:

During our telephone conversation on 5 February, you asked that we reconsider our requested deletions on pages 451 WEZ and 474 WEZ of Foreign Relations of the United States, Volume XI, 1952-54. In view of the fact that the NSC memorandum, NSC 5409, of which page 451 WEZ is part, was released under an FOIA request in 1977, we withdraw our request that references to psychological and propaganda programs be deleted from these two pages.

This letter constitutes our clearance to publish pages 451 WEZ and 474 WEZ without deletions.

Sincerely,

Chief, Classification Review Division
Office of Information Services
Directorate of Administration
